- Assisting in the transition of children and young people entering, and exiting permanency support program care arrangements
- Adhering to mandated reporting obligations and legislative requirements
- Maintaining accurate records and documentation
- Willingness to participate in an agency on call roster.

### **About you**

- A minimum of a Diploma in relevant discipline such as Social Work, Community Services, Psychology or Family Therapy
- Extensive experience working with and providing quality assessment and case management services to at risk families or children/young people in out-of-home care and carers
- Demonstrated experience in working within a trauma informed framework
- Highly developed interpersonal skills and emotional intelligence
- Strong time management skills and ability to work independently and in a team
- Knowledge of the Child Protection legislation
- Proficiency in using computer applications including Microsoft Office
- Current Working with Children Check clearance
- Current and valid driver's licence with access to a well-maintained vehicle which will be used for work purposes.

### **About our benefits**

- Access to generous salary packaging (up to \$15,900 of your salary tax-free as well as additional meal and entertainment benefits)
- Regular reflective and practice supervision
- Professional development and ongoing training
- Optional Rostered Day Off each month
- Employee Assistance Program
- Yearly flu vaccinations.
